HOW TO USE "Yokohama Minatomirai Line one-day-ticket"

The one-day-ticket can be used on the Minatomirai Line only, between Yokohama Station and Motomachi-Chukagai Station.

If you want to exit from a station other than a Minatomirai Line station (ex: Tokyu Line, Tokyo Metro, JR, etc.) with the one-day-ticket, please ask station staff for the fare adjustment.

The one-day-ticket is only valid for the day you go through the automatic ticket gate. It is not valid for a full 24 hours, only until the last train of the day on which it is used.

Please insert the ticket into the ticket gate slot to pass through.

Please remember to take the ticket with you after you go through the automatic ticket gate.

*The one-day-ticket is not an IC card and cannot be read by the card reader area.
