

業績目録

実藤 和佳子
(九州大学)

(a) 外国語による論文・著書

17. Shizawa, M.*, Sanefuji, W., & Mohri, I. (in press).
Directing and maintaining infants' attention in mother–infant interaction on infants with and without autism spectrum disorder
The Journal of Special Education Research.
- ※16. Sanefuji, W.*, & Ohgami, H. (2013).
“Being-imitated” strategy at home-based intervention for young children with autism
Infant Mental Health Journal, 34, 72-79.
15. Iwatani, Y.*, Kagitani-Shimono, K., Tominaga, K., Okinaga, T., Mohri, I., Kishima, H., Kato, A., Sanefuji, W., Yamamoto, T., Tatsumi, A., Murata, E., Taniike, M., Nagai, T., & Ozono, K. (2012).
Long-term developmental outcome in patients with West syndrome after epilepsy surgery.
Brain and Development, 34, 731-738.
14. Shizawa, M.*, Sanefuji, W., & Mohri, I. (2012).
Ostensive cues in mother-infant interaction: Infants with and without autistic disorder
The Japanese Journal of Special Education, 49, 745-754.
13. Matsuzaki, J.*, Kagitani-Shimono, K., Goto, T., Sanefuji, W., Yamamoto, T., Sakai, S., Uchida, H., Hirata, M., Mohri, I., Yorifuji, S., & Taniike, M. (2012).
Differential responses of primary auditory cortex in autistic spectrum disorder with auditory hypersensitivity
NeuroReport, 23, 113-118.
12. Sanefuji, W.*, Yamamoto, T., Mohri, I., & Taniike, M. (2011).
I first recognize myself by my face: Uneven self-understanding at four months of age
The Japanese Journal of Psychonomic Science, 30, 143-144.
- ※11. Sanefuji, W.*, Wada, K., Yamamoto, T., Shizawa, M., Matsuzaki, J., Mohri, I., Ozono, K., & Taniike, M. (2011).
One-month-old infants show visual preference for human-like feature
Letters on Evolutionary Behavioral Science, 2, 5-8.
- ※10. Sanefuji, W.*, & Ohgami, H. (2011).
Children's responses to the image of self, peer, and adult: Autism and typical development
Research in Autism Spectrum Disorders, 5, 1194-1200.
- ※9. Sanefuji, W.*, & Ohgami, H. (2011).
Imitative behaviors facilitate communicative gaze in children with autism
Infant Mental Health Journal, 32, 134-142.

8. **Sanefuji, W.***, Yamashita, H., & Ohgami, H. (2009).
Shared minds: Effects of a mother's imitation of her child on the mother-child interaction
Infant Mental Health Journal, 30, 145-157.
- ※7. **Sanefuji, W.***, Ohgami, H., & Hashiya, K. (2008).
Detection of the relevant type of locomotion in human infants: Crawlers versus walkers
Infant Behavior and Development, 31, 624-628.
6. **Sanefuji, W.*** (2008)
"Like me" detection in infancy: Toward understanding other's mental states
Psychologia, 51, 46-60.
5. Moriguchi, Y.*, **Sanefuji, W.**, & Itakura, S. (2007)
Disinhibition transmits from television to young children
Psychologia, 50, 308-318.
4. **Sanefuji, W.***, Ohgami, H., & Hashiya, K. (2007).
Development of preference for baby faces across species in humans (*Homo Sapiens*)
Journal of Ethology, 25, 249-254.
3. **Sanefuji, W.***, Ohgami, H., & Hashiya, K. (2006).
Preference for the relevant type of locomotion in infancy
The Japanese Journal of Psychonomic Science, 25, 123-124.
2. **Sanefuji, W.***, Ohgami, H., & Hashiya, K. (2006).
Preference for peers in infancy
Infant Behavior and Development, 29, 584-593.
1. **Sanefuji, W.***, Hashiya, K., Itakura, S., & Ohgami, H. (2004).
Emergence of the understanding of the other's intention: Re-enactment of intended acts from
"failed-attempts" in 12-to 24-month olds
Psychologia, 47, 10-17.

(b) 国際学会・海外学会での発表・講演等

21. **Sanefuji, W.**, Yamamoto T., Mohri, I., & Taniike, M.
What is promoted by imitation, what promotes imitation: Relation to understanding of other's mental states. 34th Annual Conference of the Cognitive Science Society, Sapporo, 2012. 8.1-4. 【ポスター発表】
20. **Sanefuji, W.**
First step to communication: Baby's attention to "like-me" beings. Cognitive Sciences Brown Bag Lecture, University of Zurich, Switzerland, 2010. 7. 7. 【招待講演】
19. **Sanefuji, W.**
Baby's world: Developmental foundation for understanding others. World Association for Infant Mental Health 12th World Congress, Leipzig, 2010.6.29- 7.3. 【招待講演】
18. **Sanefuji, W.**, Wada K., Shizawa, M., Matsuzaki, J., Mohri, I., & Taniike, M.
Attention to persons as compared to objects in one-month-old infants. XIth World Congress of

- International Child Neurology Congress, Cairo, Egypt, 2010. 5. 2- 7. 【ポスター発表】
17. **Sanefuji, W.**, Wada K., Shizawa, M., Matsuzaki, J., Mohri, I., & Taniike, M.
Preference for animacy in the first month of age: Are human faces special? Japan-US Brain Research Workshop “Development of social brain”, The University of Tokyo, 2010. 1. 23-24. 【ポスター発表】
16. **Sanefuji, W.**, & Ohgami, H.
Communicative gaze behaviors in children with autism are facilitated by imitation World Association for Infant Mental Health 11th World Congress Symposium “Eye gaze behavior in autism: Bridging experimental approaches and intervention”, Yokohama, 2008. 8. 1- 5. 【口頭発表】
15. Ohgami, H., **Sanefuji, W.**, & Funabashi, A.
Developmental trajectory of early social cognition: Suggestions from longitudinal survey from 8 months to 7 years of age. XVIth Biennial International Conference on Infant Studies, Vancouver, Canada, 2008. 3. 26- 29. 【ポスター発表】
14. **Sanefuji, W.**, & Ohgami, H.
Responses to “Like-Me” characteristics in toddlers with/without autism: Self, like-self, and others. XVIth Biennial International Conference on Infant Studies, Vancouver, Canada, 2008. 3. 26- 29. 【ポスター発表】
13. Moriguchi, Y., **Sanefuji, W.**, & Itakura, S.
Behavioral disinhibition transmits from television to young children. 19th Biennial meeting of the International Society for the Study of Behavioral Development, Melbourne, Australia, 2006. 7. 2- 6. 【ポスター発表】
12. **Sanefuji, W.**, Ohgami, H., & Hashiya, K.
Determinants of peer detection in infancy: Face and motion. XIVth Biennial International Conference on Infant Studies, Kyoto, Japan, 2006. 6. 19- 22. 【ポスター発表】
11. **Sanefuji, W.**, Ohgami, H., & Hashiya, K.
Infants’ visual preference to other infants: based on ‘like me’ mechanism? XIIth European Conference on Developmental Psychology, La Laguna, Spain, 2005. 8.24- 28. 【口頭発表】
10. **Sanefuji, W.**, & Funabashi, A.
Are you interested in me?: the number of audience influenced on infant’s reaction. XIIth European Conference on Developmental Psychology, La Laguna, Spain, 2005. 8.24- 28. 【ポスター発表】
9. Ohgami, H., Saita, Y., Funabashi, A., Kuroki, M., & **Sanefuji, W.**
A longitudinal study of the development of joint attention and the early signs of autism. XIIth European Conference on Developmental Psychology, La Laguna, Spain, 2005. 8.24- 28. 【ポスター発表】
8. **Sanefuji, W.**, Ohgami, H., & Hashiya, K.
Infants’ preference for infants and adults. The 4th IEEE International Conference on Development and Learning (ICDL-05), INTEX Osaka, Osaka, Japan, 2005. 7.19- 21. 【口頭発表】
7. **Sanefuji, W.**
Recognition of intentional agents like oneself in human infants: A background of imitation. International Symposium on Comparative Study of Mimicry, Keio University, Tokyo, Japan, 2005,

5.19. 【口頭発表】

6. **Sanefuji, W.**, & Funabashi, A.

I feel eye: Infants' sensitivity and reaction to other's gaze fixing on them. 2005 Society for Research in Child Development Biennial Meeting, Atlanta, USA, 2005. 4. 7- 10. 【ポスター発表】

5. Ohgami, H., Kuroki, M., **Sanefuji, W.**, & Itakura, S.

The typical developmental process of joint attention and the early autistic signs in infancy: A longitudinal study. XIVth Biennial International Conference on Infant Studies, Chicago, USA, 2004. 5. 5- 8. 【ポスター発表】

4. **Sanefuji, W.**, Ohgami, H., & Hashiya, K.

Infants' preference for peers: Do infants prefer infants, as adults do? XIVth Biennial International Conference on Infant Studies, Chicago, USA, 2004. 5. 5- 8. 【ポスター発表】

3. Ohgami, H., & **Sanefuji, W.**

Development and developmental delay of joint attention in Japanese children: A longitudinal study using large sample. Social Cognitive Meeting, Emory University, Atlanta, USA, 2003. 1.22. 【口頭発表】

2. **Sanefuji, W.**

Development of understanding of other's intention in infancy. Social Cognitive Meeting, Emory University, Atlanta, USA, 2003. 1.22. 【口頭発表】

1. Ohgami, H., **Sanefuji, W.**, & Itakura, S.

Psychological risk indicators for developmental delays during infancy - A longitudinal survey of joint attention behaviors. Inaugural World Autism Congress 2002, Melbourne, Australia, 2002. 11.10- 14. 【ポスター発表】

(c) その他の国際的な業績

<発表>

6. **Sanefuji, W.**, Yamashita, H., & Ohgami, H.

Development of understanding other's intention in infancy- Research on infants' preference for others like self and its clinical application-. The 17th Fukuoka International Symposium on Pediatric/Maternal-Child Health Research, Kyushu University, 2006. 9. 1. 【口頭発表】

5. **Sanefuji, W.**, Ohgami, H., & Hashiya, K.

Peer preference in infants based on facial information. Third International Workshop on Evolutionary Cognitive Science: "Social Cognition: Evolution, Development, and Mechanism", The University of Tokyo, 2006. 3. 9- 10. 【ポスター発表】

4. **Sanefuji, W.**

Why are infants interested in infants?: The cognitive basis of infants' preference for age-mates. The third international workshop for young psychologists: Evolution and development of cognition, Kyoto University, 2005. 10. 22- 23. 【口頭発表】

3. **Sanefuji, W.**

Infants' reaction to another infant. 21st Century COE program center for evolutionary cognitive sciences at The University of Tokyo First international workshop: "Exploring social brain", The University of Tokyo, 2004. 3.12- 13. 【口頭発表】

2. **Sanefuji, W.**

Which do infants prefer, infants or adults? Kyushu University developmental psychology symposium, Kyushu University, Fukuoka, Japan, 2003. 10.18- 19. 【口頭発表】

1. **Sanefuji, W.**

Questionnaire research of behavioral re-enactment procedure. The first international workshop for young psychologists: Evolution and development of cognition, Kyoto University, 2003. 7. 26- 27. 【ポスター発表】

<論文>

2. **Sanefuji, W.**, Ohgami, H., & Hashiya, K. (2005).

Infants' preference for infants and adults. *Proceedings of 2005 4th IEEE International Conference on Development and Learning*, 93-95.

1. **Sanefuji, W.**, Yamashita, H., & Ohgami, H. (2006).

Development of understanding other's intention in infancy- Research on infants' preference for others like self and its clinical application for mother-infant mental health-. *The 17th Fukuoka International Symposium on Pediatric/Maternal-Child Health Research*. 29-33.

<その他>

3. A member of Editorial Board, *Research in Autism Spectrum Disorders*.

2. ADOS (Autism Diagnostic Observation Schedule) License for Clinical and Research use

1. New Investigator Award, World Association for Infant Mental Health, 2008年 8月.
