

## 業績目録(守谷順)

a. 外国語による論文・著書（分担執筆を含む）

Impact Factor (IF)は、特別に表記しない限り論文発表年のものを記載

18. Takano, K., Mori, M., Nishiguchi, Y., **Moriya, J.**, & Raes, F. (in press). Psychometric properties of the written version of the autobiographical memory test in a Japanese community sample.

*Psychiatry Research*. (IF: 2.466)

17. **Moriya, J.** (in press). Attentional networks and visuospatial working memory capacity in social anxiety. *Cognition and Emotion*. (IF: 2.418)

16. Takano, K., Ueno, M., **Moriya, J.**, Mori, M., Nishiguchi, Y., & Raes, F. (in press). Unraveling the linguistic nature of specific autobiographical memories using a computerized classification algorithm. *Behavior Research Methods*. (IF: 3.048)

15. Tamura, A., Sugiura, Y., Sugiura, T., & **Moriya, J.** (2016). Attention moderates the relationship between primary psychopathy and affective empathy in undergraduate students. *Psychological Reports*, 119, 608-629. (IF: 0.414)

※14. **Moriya, J.**, Koster, E. H. W., & De Raedt, R. (2014). The influence of working memory on visual search for emotional facial expressions. *Journal of Experimental Psychology: Human Perception and Performance*, 40, 1874-1890. (IF: 3.358)

13. **Moriya, J.**, Koster, E. H. W., & De Raedt, R. (2014). The influence of working memory on the anger superiority effect. *Cognition & Emotion*, 28, 1449-1464. (IF: 2.201)

12. **Moriya, J.**, & Sugiura, Y. (2013). Socially anxious individuals with low working memory capacity could not inhibit the goal-irrelevant information. *Frontiers in Human Neuroscience*, 7, 840. (IF: 2.895)

11. **Moriya, J.**, Tanno, Y., & Sugiura, Y. (2013) Repeated short presentations of morphed facial expressions change recognition and evaluation of facial expressions. *Psychological Research*, 77, 698-707. (IF: 2.462)

10. **Moriya, J.**, & Takahashi, Y. (2013) Depression and interpersonal stress: The mediating role of emotion regulation. *Motivation and Emotion*, 37, 600-608. (IF: 1.844)
9. **Moriya, J.**, & Sugiura, Y. (2012) Impaired attentional disengagement from stimuli matching the contents of working memory in social anxiety. *PLoS One*, 7, e47221. (IF: 3.730)
- ※8. **Moriya, J.**, & Sugiura, Y. (2012) High visual working memory capacity in trait social anxiety. *PLoS One*, 7, e34244. (IF: 3.730)
7. **Moriya, J.**, & Tanno, Y. (2011) Exogenous attention to angry faces in social anxiety: A perceptual accuracy approach. *Cognition & Emotion*, 25, 1165-1175. (IF: 2.522)
6. **Moriya, J.**, & Tanno, Y. (2011) Processing of task-irrelevant natural scenes in social anxiety. *Acta Psychologica*, 138, 162-170. (IF: 2.255)
- ※5. **Moriya, J.**, & Tanno, Y. (2011) The time course of attentional disengagement from angry faces in social anxiety. *Journal of Behavior Therapy and Experimental Psychiatry*, 42, 122-128. (IF: 1.855)
4. **Moriya, J.**, & Tanno, Y. (2010) Attentional resources in social anxiety and the effects of perceptual load. *Cognition & Emotion*, 24, 1329-1348. (IF: 2.083)
- ※3. **Moriya, J.**, & Tanno, Y. (2009) Competition between endogenous and exogenous attention to nonemotional stimuli in social anxiety. *Emotion*, 9, 739-743. (IF: 3.726)
- ※2. **Moriya, J.**, & Tanno, Y. (2009) Dysfunction of attentional networks for non-emotional processing in negative affect. *Cognition & Emotion*, 23, 1090-1105. (IF: 1.901)
1. **Moriya, J.**, & Tanno, Y. (2008) Relationships between negative emotionality and attentional control in effortful control. *Personality and Individual Differences*, 44, 1348-1355. (IF: 1.598)
- b. 国際学会・海外学会での発表・講演等
16. Takano, K., **Moriya, J.**, & Raes, F. (2016, July) Computerized Memory Specificity Training (In a symposium, Autobiographical Memory and Psychopathology). *International Conference on Memory (ICOM6)*, Budapest, Hungary.

15. **Moriya, J.** (2015, September) Different effects of attention and working memory on depression and anxiety in adolescence. *17th European Conference on Developmental Psychology*, Braga, Portugal.
14. **Moriya, J.**, & Sugiura, Y. (2012, August) Impaired attentional disengagement from stimuli matching the contents of working memory in social anxiety. *26th Conference of the European Health Psychology Society*, Prague, Czech.
13. **Moriya, J.**, & Sugiura, Y. (2012, July) Precision of visual working memory capacity in trait and state anxiety. *30th International Congress of Psychology*, Cape Town, South Africa.
12. **Moriya, J.**, & Sugiura, Y. (2012, July) High visual working memory capacity in trait social anxiety. *16th European Conference on Personality*, Trieste, Italy.
11. **Moriya, J.**, & Sugiura, Y. (2011, August) Social anxiety and psychopathic traits predict working memory capacity in opposite direction. *5th International Conference on Memory (ICOM5)*, York, UK.
10. **Moriya, J.**, & Takahashi, Y. (2011, July) Depression and interpersonal stress: The mediating role of cognitive emotion regulation. *ISSID 2011*, London, UK.
9. **Moriya, J.**, & Tanno, Y. (2010, October) Enhanced exogenous attention to angry faces in social anxiety: A perceptual accuracy approach. *40th Congress of The European Association for Behavioural and Cognitive Therapies*, Milano, Italy.
8. **Moriya, J.**, & Tanno, Y. (2010, May) Dynamic shifts in the criteria for facial expression recognition. *Vision Science Society 10th Annual Meeting*, Naples, Florida, U.S.A
7. **Moriya, J.**, & Tanno, Y. (2009, November) The processing of task-irrelevant natural scenes in social anxiety in a perceptual load task. *OPAM 2009*, Boston, U.S.A.
6. **Moriya, J.**, & Tanno, Y. (2009, September) Competition between endogenous and exogenous attention to non-emotional stimuli in social anxiety. *39th Congress of The European Association for Behavioural and Cognitive Therapies*, Dubrovnik, Croatia.
5. **Moriya, J.**, & Tanno, Y. (2008, September) Wide attentional resources in social anxiety. *38th*

*Congress of The European Association for Behavioural and Cognitive Therapies*, Helsinki, Finland.

4. **Moriya, J.**, & Tanno Y. (2007, July) Attentional network dysfunctions of anxious people. *5th World Congress of Behavioural and Cognitive Therapies*, Barcelona, Spain.

3. **Moriya, J.**, & Tanno, Y. (2006, August) Time-course of selective attention for emotional words in social anxiety. *2006 APA convention*, New Orleans, U.S.A.

2. **Moriya, J.**, & Tanno, Y. (2006, May) Attentional control with social anxiety. *1st Asian Cognitive Behaviour Therapy Conference*, Hong Kong, China.

1. **Moriya, J.**, Sasaki, J., Morimoto, S., Moriwaki, A., & Tanno, Y. (2005, September) Negative interpretation and effects of self-focused attention in socially anxious people. *35th Congress of The European Association for Behavioural and Cognitive Therapies*, Thessalonica, Greece.

c. その他の国際的な業績

国内で発行された雑誌での英語論文

1. De Fruyt, F., **Moriya, J.**, & Takahashi, Y. (2015). Current status and challenges in the assessment of the personality trait spectrum in youth. *パーソナリティ研究*, 23, 119-130.

国内で開催された会議等での英語発表

6. Homma, T., & **Moriya, J.** (2016, July) Development and validation of a preference scale for individual and cooperative behavior. *31st International Congress of Psychology (ICP 2016)*, Yokohama, Japan

5. **Moriya, J.**, & Tanno, Y. (2008, August) Enhanced sensitivity to anger faces in social anxiety. *10th International Congress of Behavioral Medicine*, Tokyo, Japan.

4. Takahashi, Y., **Moriya, J.**, Tanno, Y., & Shigemasu, K. (2007, July). A Latent State-Trait Model of Anxiety and Depressive Symptoms. *International Meeting of the Psychometric Society 2007*, Tokyo, Japan.

3. **Moriya, J.**, & Tanno, Y. (2006, September) Impaired attentional disengagement from anger faces in social anxiety. *4th CEFOM/21 (Center for the Study of Cultural and Ecological Foundations of the Mind, a 21st Century Center of Excellence) International Symposium: "Cultural and Adaptive Bases of Human Sociality"*, Tokyo, Japan.

2. **Moriya, J.**, & Tanno, Y. (2006, March) Can social anxiety students disengage from social threat words? *3rd International Workshop on Evolutionary Cognitive Science: "Social Cognition: Evolution, Development, and Mechanism"*, Tokyo, Japan.

1. **Moriya, J.**, Sasaki, J., & Tanno, Y. (2004, March) The comparison of the mechanism of embarrassment. *1st International Workshop on Evolutionary Cognitive Science: "Exploring Social Brain"*, Tokyo, Japan.

役職

Review editor, *Frontiers in Psychology* (2016年1月~)

国際雑誌論文査読実績

*Behavioral Sleep Medicine*

*Cognition & Emotion*

*Emotion*

*Frontiers in Human Neuroscience*

*Frontiers in Psychology*

*International Journal of Psychology*

*Journal of Applied Social Psychology*

*Journal of Early Adolescence*

*Motivation & Emotion*

*Neuroscience Letters*

*Personality and Individual Differences*

*Psychologia*

*Scandinavian Journal of Psychology*

*Scientific Reports*
