Anthropology 2022, Oregon USA. 15th-17th Sep.

17. Egashira, Y., Hayashi, S., Uono, S., Takada, M., Ukezono, M., & Okada, T. (2022). Time perception deficits in individuals with comorbidity of attention-deficit/hyperactivity disorder and autism spectrum disorder. Neuroscience 2022, Washington, D.C. 12th-16th Nov.
16. Hayashi, S., Egashira, Y., Uono, S., Takada, M., Ukezono, M., & Okada, T. (2022). Does feedback of a happy face improve response inhibition in adults with attention-deficit/hyperactivity disorder? Neuroscience 2022, Washington, D.C. 12th-16th Nov.
15. Uono, S., Sato, W., Sawada, R., Kawakami, S., Yoshimura, S., & Toichi, M. (2019 July). Schizotypal traits are associated with difficulties detecting emotional facial expressions. Poster session presented The International Society for the Study of Individual Differences, Florence, Italy.
14. Uono, S., Sato, W., Kochiyama, T., Yoshimura, S., Sawada, R., Kubota, Y., Sakihama, M., & Toichi, M. (2018 July). The structural neural correlates of atypical facial expression recognition in autism spectrum disorder. Poster session presented at 23rd World Congress of International Association for Child and Adolescent Psychiatry and Allied Professions, Prague, Czech Republic.
13. Kawakami, S., Uono, S., Otsuka, S., Zhao, S., & Toichi, M. (2018 July). Low temporal resolutions are associated with high levels of autistic traits via weaknesses in multisensory integration. Poster session presented at 23rd World Congress of International Association for Child and Adolescent Psychiatry and Allied Professions, Prague, Czech Republic.
12. Otsuka, S., Uono, S., Zhao, S., Yoshimura, S., & Toichi, M. (2018 July). Emotion perception mediates the predictive relationship between verbal ability and functional outcome in high-functioning adults with autism spectrum disorder. Poster session presented at 23rd World Congress of International Association for Child and Adolescent Psychiatry and Allied Professions, Prague, Czech Republic.
11. Zhao, S., Uono, S., Yoshimura, S., & Toichi, M. (2016 May). Self-referentiality modulate attention orienting by gaze and arrows. Poster session presented at International Meeting of the Psychonomic Society, Granada, Spain.
10. Kurita, T., & Uono, S. (2016 May). Eyes tell you what to do: Observed gaze direction strengthens egalitarianism. Poster session presented at International Meeting of the Psychonomic Society, Granada, Spain.
9. Sawada, R., Sato, W., Uono, S., Kochiyama, T., & Toichi, M. (2014 April). Early posterior negativity for detecting emotional facial expressions:An ERP study. Poster session presented at Cognitive Neuroscience Society 21st Annual meeting, Boston, USA.
8. Uono, S. (2012 October). The impairment of gaze-triggered attention in autism spectrum disorders. The invited lecture presented at the aivoAALTO Monday seminar, Aalto University, Helsinki, Finland.
7. Uono, S. (2012 October). The impairment of gaze-triggered attention in autism spectrum disorders.

The invited lecture presented at Department of Psychology, University of Tampere, Tampere, Finland.

6. Yoshimura, S., Sato, W., Uono, S., & Toichi, M. (2012 July). Facial mimicry in autism spectrum disorders. Poster session presented at 20th World Congress of the International Association for Child and Adolescent Psychiatry and Allied Professions, Paris, France.
5. Uono, S., Sato, W., & Toichi, M. (2012 July). Common and distinct impairments of facial expression recognition between Asperger's disorder and pervasive developmental disorder-not otherwise specified. Poster session presented at 20th World Congress of the International Association for Child and Adolescent Psychiatry and Allied Professions, Paris, France.
4. Uono, S., Sato, W., & Toichi, M. (2011 May). Reduced representational momentum for subtle dynamic facial expressions in autism spectrum disorder. Poster session presented at International Meeting for Autism Research, San Diego, USA.
3. Sato, W., Kochiyama, T., Uono, S., & Yoshikawa, S. (2010 June). Commonalities in the Neural Mechanisms Underlying Automatic Attentional Shifts by Gaze, Gestures, and Symbols. Paper session presented at NeuroTalk-2010: From Nervous Functions to Treatment, Singapore.
3. Uono, S., Sato, W., & Toichi, M. (2009 August). Representational momentum for dynamic facial expressions in individuals with pervasive developmental disorders. Poster session presented at International Society for Research on Emotion, Lueven, Belgium.
1. Nomura, M., Yoshikawa, S., & Uono, S. (2007 July). Gaze cueing influences preference for cue faces. Poster session presented at Xth European Congress of Psychology, Prague, Czech Republic.
